"Our mission is to educate independent, critical-thinking, responsible, bilingual individuals prepared to meet the challenges of the future"

7 school days

"We believe that our students, as individuals, have unique intellectual, social, emotional and physical characteristics and needs; all students can learn and they learn most effectively when they are actively engaged in the learning process, when they are faced with challenging expectations and when they are held to clearly defined standards of excellence."

The American School of Guatemala is member of the "Association of American Schools of Central America - AASCA"
