- Thematic Focus
- Discovery Education Atlas

---

### How to register

Type the following web address in your web browser:

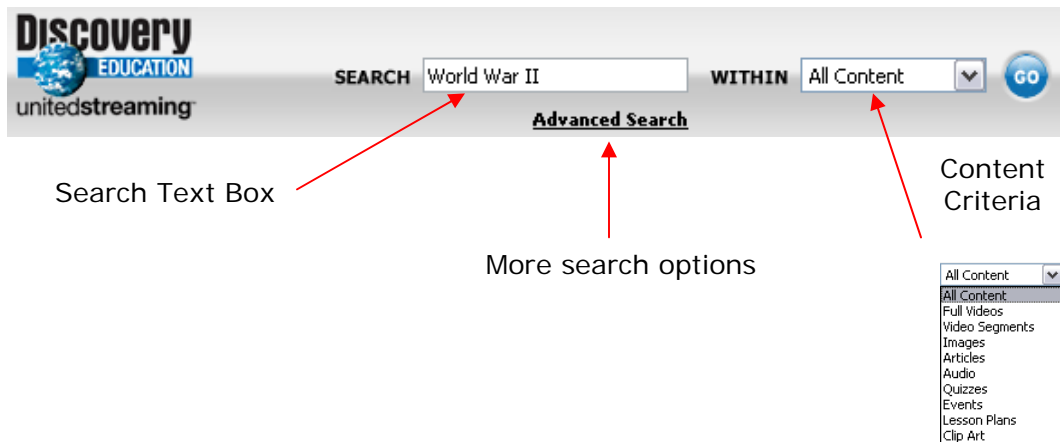

<http://streaming.discoveryeducation.com>

Go to "New Users" and enter the following Passcode to register a new account, **E765-E33C**.

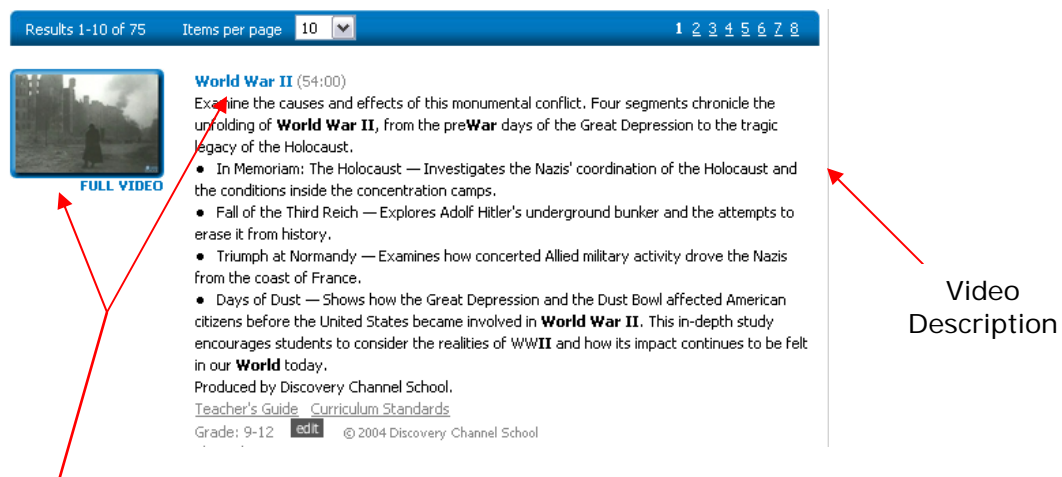

Right after that, follow the instructions to create a new account. You can use the school's address in your form:

*11 calle 15-79, zona 15. Vista Hermosa III. Guatemala, Guatemala.  
Phone number: 2369-0791*

After registering, type your chosen username and password. The first thing you would like to do is search for a video, type a keyword in the "Search" text box and then choose a Content Criteria.

The content search will return the following:

**Add To**  [ADD](#)

If the video has been already downloaded the "Queue" icon will change to a check mark on a green circle

**IMPORTANT:** Videos will be saved in the following folder [\\media\videos](#)

### **Discovery Education Streaming local policy:**

Please, don't move the videos from the server folder because the server will notice it and will start downloading the video again.

When you want to show a video to your class, copy and paste the whole folder to the computer where you will play the video. Also, you can create a VCD or a DVD, ask your section Tech Department Staff to help you create it.

---

If you have a question or suggestion please talk to any member of the Tech Department.
