

**CELEBRATING SENIORS  
AND WELCOMING THEM  
AS FUTURE ALUMNI  
DEVELOPMENT OFFICE**

# SENIOR ACTIVITIES

At CAG, we want to celebrate seniors and make this a remarkable year! Along with the High School Team, we have prepared special activities during the year. We want each activity to be unique; the school has designed and prepared special materials that seniors and parents can use for these celebrations, including Instagram sticker packs. We will take photos and videos to have a record of each senior activity organized by CAG.

## 1. LAST FIRST DAY OF SCHOOL

This day marks the **beginning of the senior year for CAG's graduating class**. We officially celebrate our newest generation of seniors, and the first of many lasts: after this year, their lives will change immeasurably.

**Date: August 3rd**

## 2. PIN CEREMONY & ALUMNI NETWORK WELCOME

CAG prides itself on the legacy of its alumni. As the most visible sign of the CAG Alumni Network, CAG's Legacy Pin is a unique representation of achievement, as Hornets can only obtain it upon graduation. Through this event, CAG celebrates its graduates and their families and the footprint each student leaves behind. It marks the beginning of their legacy for some and the continuation of their legacy for others.

This celebration includes:

- Graduate pin
- Legacy pin to family members who are CAG alumni

During this ceremony, the Development Office introduces the graduates to CAG's Alumni Network.

**Date: April 18th**

## 3. TEACHER APPRECIATION ACTIVITY

Seniors organize an **activity to celebrate those teachers** who have taught them during their school years and left a footprint in their lives.

**Date: May 3rd**

## 4. LAST DAY OF SCHOOL

This day is extraordinary! Seniors celebrate their last day of school with activities that help them reminisce about the various stages of their school years.

Seniors will celebrate their last day of school with activities such as:

- Legacy Activity: Gathering experience with CAG's Prekindergarten students
- Final Campus Walk
- Pool Jump

**Date: May 24th**

*\*We look forward to working with the seniors to make this final year full of celebrations & memories*

## 5. GRADUATION CEREMONY

The Graduation Ceremony is the official act by which seniors become CAG graduates. School authorities, graduates, and their families gather in a student-centered event to celebrate the completion of their studies and receive the diploma of their respective academic titles.

The graduation ceremony includes:

- Toga portraits (**May 27th & 28th**)
- Senior class photo
- Graduation gown
- Diploma
- Recognition of Achievement (Chords), if applicable
- 2 Invitations (physical and digital) per graduate
- Livestream event

**Date: May 31st**

**PART OF IT,  
PROUD OF IT**
